## INTEROFFICE MEMORANDUM

DATE: October 26, 1999

TO: Ted Hopkins, RMRS, 116, x7652

FROM: *sm nesta for*  
Karan North, K-H/ESS, T130C, X9876

SUBJECT: SHIPMENT TO ARAGONITE SAFETY-KLEEN FACILITY-  
KN-145-99

---

This memorandum is being written to allow the shipment of sulfuric acid and sodium hydroxide wastes to the Aragonite Safety-Kleen incineration facility in Utah.

Based on conversation with Karan North, on October 25, 1999, K-H ESS has performed a liability assessment of this facility and it is approved to accept these waste streams for treatment. K-H ESS will have a Facility Use Decision for this facility posted on the Intranet page within two weeks.
